

Blood & Thunder

Part 2

Too many of us are living lives devoid of power. We want things to change, to be different...to be better. As followers of Christ we want to see God move in our lives and we pray that He will do something great for us. There is something we need to know if we are going to see that happen. God uses us as an answer to our own prayers. We actually have a purpose when it comes to seeing his power in our lives. We need to get in the game, we need to sweat a little and even bleed a little. Join us as we learn what can happen when we combine our effort with God's power.
