

Shipwreck

Part 5

When someone's life crashes into the rocks and becomes a Shipwreck it can be quite a sight to behold. It might be fun to watch when it happens to the other guy, but the truth is ...we've all had a Shipwreck or two of our own. There's an interesting thing about Shipwrecks...they are actually a curious way that God speaks to us. Most people won't look for God until they wreck their ship on the rocks of bad decisions...then it becomes apparent that you may indeed be in need of rescue. Join us and see how God may be just one step away from your Shipwreck.

1. We are _____ at making our Shipwrecks _____.
