

# View Master Part 3

People see the world differently...that's just how it is. We have different views and we think our view is the right one. How we see the world drives how we live our lives...so it is important to see the world as it really is so that we can live in truth...the way God wants. There is a problem with that...we like our view, and we don't like it when someone or something challenges it. We all need to be open to a potential "Better View", and that's exactly what God offers us. Join us in this series and learn how to let the God of the Universe become your "View Master".

1. We all have a desired \_\_\_\_\_.
2. We see the world not as \_\_\_\_\_, but as \_\_\_\_\_.
3. When we \_\_\_\_\_ as God \_\_\_\_\_, then we will \_\_\_\_\_ as God \_\_\_\_\_.
4. **Ambition:** A strong \_\_\_\_\_ to do or achieve something, typically requiring \_\_\_\_\_ and hard work.
5. Our \_\_\_\_\_ creates a desired \_\_\_\_\_.
6. Being \_\_\_\_\_ in what you don't have, causes you to \_\_\_\_\_ what you do have.
7. Jesus \_\_\_\_\_ his ambition for \_\_\_\_\_ ambition. **Matt.26:36-44**
8. \_\_\_\_\_ on the "This is it".
9. If you view yourself as a \_\_\_\_\_, you can never be \_\_\_\_\_.
10. Your best \_\_\_\_\_ is the one you \_\_\_\_\_.
