

Upgrade

Part 3

We spend a lot of time, money and effort to make ourselves better. We are all about self improvement, but there is more to the world than us. Does your heart feel a burden for anyone or any thing other than you? As followers of Jesus we must be passionate about the things He is passionate about...People. So...the question is, What can we do to Upgrade the people and the world around us? Your impact may be big or it may be small, but what is your impact. Join us in this series "Upgrade" and find out the difference you can have in your world.
